The Miralaste Intermediate School Booster Club works hard to insure the safest experience for all participants, but insuring absolute safety is not possible. Be aware that there are risks and hazards, minor and serious injuries, associated with participation in intermural and intramural sports (athletic/recreation) activities. Participants and their parents voluntarily assume all responsibility and risk of loss, damage, illness, and/or injury to person or property associated with participation in sports activities. The MIS Booster Club, its officers, and instructors are not responsible for any loss, damage, illness or injury to persons or property arising out of or relating to participation in club or sports activities, including the use of intermural and intramural facilities and equipment. The MIS Booster Club does not provide medical, health, or other insurance for sports participants. Purchasing adequate health/medical insurance prior to participation is strongly recommended.

I have read and understood this Health/Safety Message in its entirety.
