

JOIN THE MIRALETE BOOSTER

TRACK & FIELD CLUB

During Track and Field athletes will learn about the different events that Track and Field has to offer. Athletes will have a chance to try many of these events, and then they will choose which event(s) they want to focus on. We will also learn about pacing for different lengths of races, and techniques for racing various distances. Athletes will meet on the blacktop at 3:15 before warming-up, and we will end at 4:30. We will primarily be at the Track for practice.
