

# JOIN THE MIRALESTE BOOSTER SWIM CLUB

There will be a swim test given the first day of class. Participants in this program must know how to swim freestyle and be able to understand and follow through on the direction from the coaches. The coach is unable to provide one-on-one instruction in this club setting. We want all participants to have a safe and worthwhile experience. If a participant is not at the necessary swim level needed, he/she will be removed from the program and issued a refund.
